

NATIONAL AUDIT GROUP OF BASHH

CONFIDENTIALITY POLICY

1. Any publication or presentation arising from work done by the National Audit Group will not identify individual clinic's results.
2. No person will disclose data attributable to individual clinics without the relevant consent.
3. Regional and National data will be presented in aggregate form.
4. Regional data can be presented in disaggregate form with the agreement of all members of the Regional Group.
5. Under current arrangements, results for individual clinics will be seen only by the respective Regional Audit chair and the people who, as agreed by the Regional Group, may assist him/her with the audit.
6. When a centralised electronic system has been developed, individual clinic results will be seen by the person(s) nominated by the National Audit Group to analyse the data.
