March 2005

Dear Member,

**EADV Conference London 12-16 October 2005.
The Skin and Sexual Health: the challenge for Europe,
Co-organisers: **BASHH and British Association of Dermatology****

BASHH Board wish to draw to your attention to the above meeting. If you have not been to an EADV meeting before, they attract 6-7,000 dermatovenereologists from all over Europe and have extensive tracks for scientific presentations on dermatological and venereological specialist subjects. This year 'Designer genitals', Genital Problems in children, Genital viral diseases, HIV update with renowned international speakers, and Sexual Dysfunction are included. They also have one of the most innovative and remarkable pharmaceutical displays, with complementary anti-aging creams and cosmetics! Full Conference details are available on: www.eadv2005.com. We hope you will take an active part.

In the evening of Friday 14th October there is also the joint BASHH/BHIVA OGM which will be at the QEII Conference Centre, London and does not require registration fees. It will be possible to combine this with the EADV.

The closing date for the submission of abstracts is March 31st. The BASHH Board strongly encourages you to submit relevant abstracts to this meeting. Abstracts that have been submitted and accepted for other meetings can be submitted for the EADV. The BASHH Board has agreed to give scholarships to support BASHH members who are successful in having an abstract accepted for the meeting as either a poster or an oral presentation. All successful BASHH members will receive Euros 120 to support their attendance. We are also considering holding an evening reception during the EADV meeting hosted by the BASHH President.

We hope that you will join with us to celebrate for the first time, the *European Academy of Dermato-venereology* holding a meeting in the U.K. and make this meeting a great success for both the *EADV* and *BASHH*.

Very best wishes.

Dr. Simon Barton
Vice President

Dr Janet Wilson
Conference Secretary
