CALL FOR PRESENTATIONS

There is an exciting opportunity for delegates to make a 10-minute presentation. A prize of £100 will be awarded to the presentation judged to be the best. Submissions should be personal and original in the area of clinical work, case presentations or clinical audit in GUM and sexual health. Please submit a summary (200 words maximum) using the enclosed Submission Form and return by 5th August. We regret that any submission received after the deadline cannot be accepted. If several submissions are received, up to five will be chosen based upon merit. Successful entrants will be notified by 2nd September.

WORKSHOPS

Please list your choices of workshop in order of preference. Workshops will be allocated on the basis of time of receipt of application form. Although the organisers make every effort to accommodate delegates' choices, this may not be possible for both Friday and Saturday. Those who apply early are more likely to get their first choices. Please ensure you include options for both days.
