Exhibition and sponsorship opportunities

OVERVIEW
The BASHH Spring meeting will be held at the Royal Concert Halls, Glasgow from the 1st to 3rd of June 2015. The Conference is an invaluable forum for learning about the very latest science, sharing best-practice and networking with peers and opinion leaders. The three day meeting will attract up to 500 delegates. The conference is also supported by a strong national and international faculty of speakers.

HOW DO I GET INVOLVED?
The Exhibition will be accessible to delegates throughout the meeting, positioned as the central hub of the event and the focus for networking and information exchange. All refreshment breaks and lunches will be served in the exhibition area.
If, however, you have an idea of your own, please email the team on: admin@bashh.org
