6<sup>th</sup> November 2026

Online Event

## Conference Information

Registration will open in the coming months.

Conference Logistics: [bashh-events@moore-insight.com](mailto:bashh-events@moore-insight.com)

Save the date for the inaugural joint nurse and health adviser conference from British Association for Sexual Health and HIV and Society of Sexual Health Advisers, taking place online 6th November 2026. This one-day conference has been specially designed in response to feedback from nurses and sexual health advisers, focusing on the topics, skills, and discussions that matter most in day-to-day practice. Bringing together professionals from across the field, the event will offer practical insights, shared experiences, and opportunities to connect with colleagues nationwide in an accessible online format. Pop it in your calendar now and stay tuned for further details and registration information.
