

BASHH Policy for Complimentary Spring Conference Registration

- places are only offered once the conferences and communications secretary and treasurer are confident that the meeting is going to be profitable
- a maximum of 6 places are made available to groups who fulfil the following criteria:
 - registered charities with interests allied to BASHH
 - complimentary registration covers the conference educational events but not social events
 - usually only one complimentary place will be available for each charity
- charity complimentary registration is not available for BASHH members or medically qualified staff
- charities should apply to the conferences and communications secretary stating:
 - how their interests overlap with BASHH
 - why attendance at the conference will be beneficial to them
 - why the standard registration fee is not affordable
- BASHH is unable to support any additional expenses such as travel or accommodation
