   Dr Ratish Basu Roy
   Dr Belinda Stanley

2. Minutes of the Annual General Meeting held on 12 January 2018
   The minutes of the fifteenth AGM held on 12 January 2018, had been circulated to the membership and were accepted, as an accurate record. Proposed by Dr Adrian Palfreman and seconded by Prof Colm O’Mahony and approved by the meeting with no abstentions or votes against. The approved minutes will be posted on the BASHH website.

3. Statement by the General Secretary
   The General Secretary, Dr Alan Tang, gave an overview of the BASHH activities over the past year. There has been an increase in membership over the year from 986 to 1018 at December 2018 and there has been an increase in Nurse and DIT membership during the year. Dr Tang confirmed that all applications are checked and if there is any doubt, he checks the details by using Google.

   BASHH hold a quarterly performance meeting with KSAM and the following data is recorded:
   - Average time to taken to answer calls 3.5 rings
   - % of lost calls is 0.5%
   - There are 350-400 call per quarter
   - Average call duration is 1.5 minutes
   - Calls % is 50:50 member to non-member
   - 95% of minutes are sent to the chair within 10 working days
   - The issue with late posting of an event details was resolved by setting up a timeline

   Dr Tang thanked the team at KSAM for their work during 2018 and it was noted that Sophie Brocklehurst has taken over from Amy Bradley in the membership team.

4. Statement by the Treasurer
   The Honorary Treasurer, Dr Kaveh Manavi, made a brief statement highlighting key features in the accounts and noted that the full report was available to members.

   BASHH has had a stable year with a fund balance of £1.8M, at 31 July 2018. There was a net surplus of £19,557 and most of the surplus comes from investments. Dr Manavi made the following comments:
   - Expenditure in 2017 was £822,093 and it was £901,953 in 2018
   - Income in 2017 was £759,896 and it was £850,288 in 2018
   - BASHH have paid deposits for Spring Conferences until 2021 which has resulted in a reduction in reserves from £466,142 in 2017 to £306,459 in 2018 but this should even out over coming years
   - The value of BASHH investments have increased which has contributed to the reserves but this position may not continue after Brexit
   - The main drivers of BASHH expenses are educational events, travel costs and secretariat fees
   - The cost of educational events has increased by 15% and the KSAM contract will increase by 12% in 2019
Dr Manavi outlined the financial plan to the meeting for 2019 onwards
Dr Manavi noted that each BASHH group will now receive a quarterly statement outlining income and expenditure

5. Membership Subscription for 2019/20
Dr Manavi reported that the membership subscription has remained unchanged for 7 years and the subscription will be held for 2019/20, as set by the Board.

6. Resolutions
It was noted that the Chair held no proxy votes.
